	नरोरा (न्यूक्लीय) (एन०पी०सी०एल०)	220

Financial constraints in competition of Power Projects

1346. SHRI SHIVAJIRAO G. PATIL : Will the Minister of POWER be pleased to state :

(a) whether it is a fact that the work on on-going projects has come to a stand still due to non-availability of finance from F.Is., as the F.Is, have rejected his Departments plea for short-term loans at a 17 per cent interest rate and also due to cancellation of raising of money through power bonds;

(b) if the on-going projects are, not completed in time, what are the plans of his Ministry to meet the ever increasing power requirement of the country; and

(c) how will Government overcome the financial difficulties to complete these projects ?

THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI KALP NATH RAI) : (a) and (b) Even though shortage of funds has slowed down the progress of certain on-going projects to some extent, the PSUs under the Ministry of Power are in touch with the Financial Institutions for term loans during the current year. The 8th Five Year Plan envisages a capacity addition of 30,538 MW to meet the power requirement of the country.

(c) The Government has sanctioned market borrowing to the extent of Rs. 1747 crores to the PSUs during the current year apart from Gross Budgetary Support.

Power requirement in the capital

1347. SHRI BISHAMBHAR NATH PANDE : Will the Minister of POWER be pleased to state :

(a) whether it is a fact that the Capital's power requirement is around 1,450 MW, and whether there is a shortage of power resulting in constant power cuts;
